VOLUME XXIV—NO. 223. CHARLEROI, WASHINGTON COUNTY, PENNSYLVANIA, FEBRUARY 26, 1924. TWO CENTS

$12,000 LOSS BY FIRE IN CHARLEROI'S BUSINESS SECTION

LOCAL FRUIT STORE GUTTED BY FLAMES

Fire, of Unknown Origin, Maybe Emanating From a Stove, Ruins Stock of Kalamaris & Hadjatoni, at Fifth And Fallowfield

BERRYMAN OWNS BUILDING

Structure Loss, $5,000; Kalamaras & Hadjatoni, $4,000; Mrs. Emma Dawson, Milliner, $3,000 — Building Standing For Years

Flames, having their source from causes unknown, but believed by some people to have had their origin from an overheated stove, did damage probably to the extent of $12,000 last midnight to the two-story frame structure at the confluence of Fifth street and Fallowfield avenue, owned by John D. Berryman, and occupied by Kalamaras & Hadjatoni as a fruit store, and to the adjoining one-story farme building, occupied by Mrs. Emma Dawson as a millinery establishment. Those concerned subdivide their losses as follows:

John D. Berryman, building, $5,000; Kalamaras & Hadjatoni, to stock, $4,000; Mrs. Emma Dawson, millinery stock, $3,000.

The building was gutted, and from appearances will have to be razed to rebuild; the stock of Kalamaras & Hadjatoni is ruined by fire, smoke and water; the stock of Mrs. Dawson was practcally ruined by water. All concerned carried insurance, but Mr. Kalamaras, of the fruit firm, said not enough to cover the loss of the firm.

It is said that a member of the fruit firm left the store at about 11 o'colck and all was well at that time, apparently.

The loss sustained by Mrs. Dawson was by water, albeit hats in the show case seemed to be in good shape, though they may have been damaged by smoke; at least the lady, it is inferred, will have to sell tehm as damaged goods. They are principally pattern hats.

The fire department respended with its usual alacirty, and did good work in holding the flames to the burned area.

The building occupied by the fruit firm has been standing for a number of years, and has conserved different purposes. At one time the police station was located in it; in the second story was, until a few months ago, a radio company, but at the time of the conflagration it was unoccupied. In the early days of the town a photograph gallery was located on the second floor.

The night being moderate, the streets contained a number of people some of whom had been attendants at the theatres, or to parties. A fire at midnight hour tended of the unique, and naturally attracted a large concourse in a short space of time.

The owner of the structure, John D. Berryman, with Mrs. Berryman, had taken an early train for the southland, North Carolina, consequently are probably not as yet aware of the conflagration. Whether Mr. Berryman will rebuild, must await future developments.

CHRISTMAS TREE PROBLEM AGAIN

Harrisburg, Feb. 26—(United Press)—The "Christmas Tree question" whether the annual slaughter of young fir trees is justified by returns it brings in adding to the holiday spirit—has bobbed up in Pennsylvania with announcement today by the Forestry Department that it would be glad to receive comment on an act forbidding cutting of trees and gardens, which will be submitted to the next legislature.

The act as set forth in the department statement "prohibits the cutting or removal of hemlock, spruce, pine cedar, rhododendron, laurel, or any other trees or shrubs, or parts thereof suitable for decorative purposes and commonly known as Christmas trees and greens."

There is something interesting in our advertisement today, Thos. P. Tweed Co. 222t2*

Dr. F. C. Lake To Quit On The First Of April

At a special meeting of the official board of the First Christian church on Sunday afternoon, Rev. F. C. Lake handed in his resignation as pastor, which, at his request, was accepted [illegible]. In giving his resignation, Dr. Lake assured his people that it was no dissatisfaction with the local church or with Charleroi that he is leaving as both the church and the city had used him well. He told them that he had accepted the call, not so much because it means a promotion, but because it will bring the family near to Mrs. Lake's people, who are both up in years and in frail health.

Rev. Lake was educated at Hiram College, Ohio, and at the University of Toronto, Canada, from both of which institutions he holds academic degrees. Before coming to Charleroi he held pastorates at Toronto, Canada, Lima, Ohio, and Elkhart, Indiana, from which place he came to Charleroi in the spring of 1920.

During his pastorate here a building indebtedness of some $9,000 has been wiped out, and the commodious and well-located parsonage in Washington avenue purchased and largely paid for.

The local church is united and in good condition in every way. Immediate steps will be taken to secure a successor to Dr. Lake, so that there will be the least possible break in the work of the church.

Rev. Lake will commence work in his new field the first of Aprl, but does not expect to move his family there until some time later.

The First Aid Work Pleases Many Boys

There was a good attendance of boys at the First Oid demonstration given by G. H. Withers' team of the Hillman Coal & Coke company at the High School gymnasium last night. Practical lessons for the benefit of the Boy Scouts of the community were adduced.

In the month of March the Scouts are looking forward to what will be known as a "Funfest," and that there will be a large attendance of the Scouts and a good time resulting, goes without saying.

COMMISSIONERS ASK VACATION OF ROADS

Several Are Approved By Grand Jury For Improvement By the County May Now Be Turned Back to the Townships

FOR A TOTAL OF 19.25 MILES

Filed By Commissioners In Court Yesterday—Highways Are All Approved By Grand Juries Upon Petition of Former County Commissioners

Petitions for the vacation of ten sections of county roads, covering a total of 19.25 miles, and the return of the same to the townships in which they are located, were filed by the county commissioners in court yesterday. These roads were all approved by grand juries upon petition of former county commissioners, who believed that a comprehensive system of road building by the county required the improvement of these sections.

Some of these roads were approved by grand juries 12 years and more ago, but none of them has ever been improved. The reason for vacation as given by the commissioners, is that the building of new mining settlements and industrial changes that have taken place in the county since the approval of these roads, have made it advisable that these roads be dropped from the general system of improvement by the county.

It is understood that there will be opposition to this by residents of the sections in which these roads are located, and the court has set March 25 as the time for the public hearing. The list of roads that the commissioners propose to return to the various townships follows:

Rebbs Run orad ,beginning at end of present brick road from McDonald and extending to Allegheny cunty line, a distance of 3,765 feet, all in Robinson township; approved by the grand jury June 2, 1911.

Hill Church-Thomas road, beginning at eastern end of township brick road and extending through Linden to western end of county brick road, at Thomas, a distance of 21,120 feet, all in North Strabane township; approved by grand jury May 11, 1917.

Bellevue road, beginning at Cumberland and Baltimore avenues and extending along Baltimore avenue a distance of 2,116 feet, all in North

REV. MONTGOMERY IS TO COME HERE NEXT SUNDAY

We understand the Rev. Montgomery of Clarion, Clarion county, Pa., who has been extended a call to become pastor of the Washington Avenue Presbyterian church, will preach here next Sunday, morning and evening; and during the tenure of his time in the borough, he will make decision whether he will accept the tender proffered him.

A POWDER COMPANY SUES BUSINESS MEN

Common pleas court for the February term convened yesterday afternoon at 1 o'clock. The first case taken up before Judge Erwin Cummins is the suit of E. E. du Pont de Nemours Company of Wilmington, Delaware, against Vernon & Hornbake, Donora business men. There is involved a bill for $1,165, alleged due for merchandise, sold and delivered to the defendant firm. The defendants deny their liability to the plaintiffs, averring they purchased no goods from them, but that the purchase was made from the Morgan Paint and Glass company.

Before Judge James I. Brownson was called the suit of Giovanni Masaro, et al., against Tony Spreneli, et al., involving title to a property in Monongahela. The defendants it appears, are the real owners of the property in question and occupy the same, but the plaintiffs claim title under a certain alleged agreement of sale, now of record for the property in question. The defendants admit entering into an agreement with the plaintiffs, but aver the same was cancelled and never carried out.

A number of jurors, regularly summoned for this term, did not appear. In some instances substitutes were sent. Several had peviously been excused for service. A number of talesmen were called for service for the coming two weeks.

AND STILL THEY COME—IN INQUIRY

Washinton,Feb. 26—(United Press) The name of a big politician—not an official of the government—was drawn into the oil lease inquiry today by the Tea Pot Dome committee as told in a telegram of E. M. McLean, publisher of the Washington Post.

The identity of the politician was not definitely established in the telegram and if he is the man the committee thinks he is, a new sensational story of the oil intrigue is expected to be revealed.

TO RECOUNT VOTES FOR CONSTABLE

An order has been handed down by the court, upon recommendations made in the report of the commissioner, Attorney A. R. Witherspoon, in the matter of a contest of the election for constable in the Third ward, Monongahela, directing that the ballot boxes in this district, which are now in the hands of the sheriff, be opened and a recount made so far as the vote for candidates for constable are concerned.

According to the return of the election board it showed a tie vote between John Eckert and Arthur Wilson, both receiving a total of 288. Francis Dickerson received 204. It is averred that thetally sheet showed Eckert 288 and Wilson 285, and that this sheet was altered in a way that made the official returns show a tie vote for Eckert and Wilson.

Anthony Yanketis and Eva Yanketis, his wife, of near Vestaburg, have filed a suit against the White Line Taxi company, of Brownsville, in which $10,000 damages are claimed for personal injuries received by Mrs. Yanketis while a passenger in an automobile of the defendant company.

The accident occurred on October 9, 1922 on the Barney's Run road in Centerville borough, a car of the defendant company at that time going over a steep embankment. Mrs. Yanketis was seriously injured.

S. S. INSTITUTE AT THE M. E. CHURCH

At the M. E. church, on February 24, the Sub-District Sunday School Institute, Children's Division, was held at 2:30 o'clock.

Mrs. Stewart, superintendent of this division, was in charge, and Mr. Sailer, of Roscoe, president of the sub-district, was present.

Rev. Mr. McCoy, of Roscoe, who was expected to speak on "Religious Education and Its Relation to Character," failed because of sickness, to be present. Mr. Sailer, Mrs. Lockhart, superintendent of Children's work in the county, and the pastor of the local church, discussed this subject.

Miss Pearson rendered a piano solo.

Misses Irene Chester and Edna Welch sang a duet. Both these features of special music were highly enjoyed.

Departmental conferences were held for the Cradle Roll, Beginners, Primary, Junior and Intermediate divisions. Miss Gelder, Mrs. Frank Welch, Mrs. Thomas, Mrs. Stewart, and Mrs. Lockhart, presided in these Departmental meetings.

The Institute was well attended, indicitative of interest felt, and prophetic of good to be received.

CUDDY DEMARCO BEATS KEPPEN

Last night, at McCreary's Auditorium, Beaver Falls, Cuddy DeMarco added another to his long string of victories by winning handily over Sig Keppen of Beaver Falls. Keppen was outclassed by DeMarco. Keppen did well in the first and sixth rounds of a 10-round bout, but the other frames were clearly DeMarco's.

In the semi-final, Johnny Moore of Youngstown gave Bobby Young of Pittsburgh an awful beating. Moore was a big favorite from the start.

Babe Rivers of New Castle was knocked out in the third round by Kid Carpentier of Duquesne. The curtain raiser was a lively six-round affair between Chuck Lindel of Rochester, Pa., and Joe Ross of New Castle. Lin[illegible] on a judges' decision.

United Mine Workers Have Been In The Field For 30 Years

Wilkes-Barre, Feb. 26—(United Press)—Thirty years ago this month, according to old miners, the United Mine Workers, made their first advent into the anthracite coal fields.

Up until that time the hard coal miners had no organization and the old sliding scale of wages was in effect. Under this arrangement, wages were controlled by the selling price of anthracite at tide water.

The ten and twelve hour day held full sway and company men were considered highly paid if they earned $2 a day. Inside labor received $10.20 a week and breaker boys as low as $2 per week.

CEMENT PLANTS LAYING IN COAL

Allentown,Feb. 26—(United Press) The large cement plants of the Lehigh region are laying in enormous supplies of soft coal in anticipation of a rush business this spring.

The shipments of bituminous have been so heavy that themill yards have taken on the appearance of colliery yards. Much of the coal is being stored on sidings in railroad cars.

Shipments of cement are unprecedented for this time of year and indications are that the mills will not shut down next month for repairs as usual or that the shut down will be short.

CLAIMS OF LONG DESCENT.

It has long been accepted as fact that Lincoln was of very humble origin, all his recorded forbears being of the class known in the South as "poor whites." Lately investigators have announced the discovery that substance and repute and that Abraham of the name descended were men of substance an drepute and that Abraham Lincoln's father's "drop in social status was an accident of orphaned boyhood." This has pleased those who believe in blooded men as well as in blooded horses, and they welcome it as rendering the character and ability of President Lincoln "understandable instead of almost miraculous." On the other hand, there are those who have expressed displeasure preferring as of old to regard Lincoln as a man who stood upon his own feet alone and who was "his own ancestor."

In this discussion and others of a similar sort the importance of the modifications produced by the successive marriages of the descendants of a given family seem to go almost if not quite overlooked. Since the days of the ironmaster Lincolns recently discovered many factors many differing inherited traits, entered into the making of Abraham Lincoln. Observant men near the end of life, after watching a family name for three generations and the numerous marriages of sons and grandsons, have not failed to note many distinct changes of type, modification inevitably following every blood-mingling with another family. The White-Morgans were one thing, the White-Johnsons were another, the White-Smiths, White-Peters, White-Jennings, etc., etc., are very much another. The attempt to bring the White-Morgans down intact through six or eight generations, and a multitude of marriages of new blood-minglings, is manifestly as impossible as it is absurd. The average genealogist seems to exhibit a curious disregard of this insuperable difficulty.

Jersey milk has a deep yellow cream line which is not to be found in any other cows' milk.

Man's Trouble Arrested

"The past four years I have been going down, down, down with catarrh of the stomach and had to give up work a year ago because of my weakened condition. I suffered terribly from bloating and colic attacks. Mayr's Wonderful Remedy was recommended to me. I took a course of it and am now feeling fine. It is a simple, harmless preparation that removes the catarhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments including appendicitis. One dose will convince or money refunded. At all druggists.

Do You Use Drugs?

Drugs That Have a Harsh, Drastic Effect Upon the System Should Be Avoided.

When you have a headache, or catch a cold, or feel a bilious attack, or find that you are becoming constipated, is it necessary to drug your system to find relief? Positively not. MAN CONFESSES TO KILLING ANOTHER IN SOUTHLAND

A self-confessed murderr was placed under arrest in Monessen last evening by Constable Walter Wyatt and Patrolmen Chesman and Luksich at his place of residence, No. 12 Bouquet flats, Schoonmaker avenue.

Edward Jordan, colored, of Nashville, Tennesee, ave a clean breast of the whole story which occurred about two weeks ago in Nashville, when he shot and killed a man by the name of Sears, white, in a drunken quarrel. Jordan made his escape immediately after the killing, going to relatives who supplied him with enough money to take him to Monessen last Sunday, where he formerly lived. During his short stay there, he got in a quarrel with another man over a woman, it is said, and the man, knowing of the crime, notified the Monessen police last night. The arrest was effected last night. Jordan at first denied all knowledge of the crime, but later confessed. Chief of Police, J. W. Smith, of Nashville, has been communicated with and he will probably send a man to Monessen to accompany Jordan to Nashville, where he will answer for his deed. Jordan claims he shot in self defense.

KURTZMANN....

The Piano That Endures

The Kurtzmann is a piano to delight you years hence in the same true-toned way in which it first enriches your home. Built as a masterpiece should be made, built to have a body as staunch as its musical soul is noble, the Kurtzmann remains serene despite changing seasons, shifting climates and fleeting years.

This steadfast service is not a happenstance or accident but the simple, logical results of adhering to that Kurtzmann creed which will not compromise with quality either in material or workmanship. It is because the cry for the cheaper way and the "short cut" never has been heard in the Kurtzmann Factories, that Kurtzmann pianos are in the forefront of this store.

For the same reason we unhesitatingly urge you to place a Kurtzmann in your home.
